WALKS & EXCURSIONS
DAILY IN ENGLISH, ALL YEAR ROUND

Dear Visitor,

Imitated but never bettered, Prague Tours is run by insiders. Our refreshingly upbeat attitude to showing visitors our city has earned us the reputation for giving the very best English language tours of Prague. Professionalism and excellence combined with a passion for the city and the ability to make a good story so much better are the hallmarks of Prague Tours.

With a nod to the global economic crisis and a wink to the competition, our free tour of Prague is exactly that: FREE. This means we do not expect tips, in fact we don't accept tips! Our aim is quite simple: to convey to you the city we know and love at its very best. This means superb, professionally qualified tour guides. It means a fascinating route through the hidden side streets and courtyards which make Prague so compelling. It means the key historical sites and monuments. More importantly, it means making sense of Prague, of bringing the past to life, of leaving you with the feeling that you have discovered the essence of what it is that makes our city so very, very special.

Thanks for taking the time to check out this flyer. If we don't have the pleasure of meeting you on one of our tours, we hope that your experience of Prague will be truly seductive. Enjoy and take care!
