The Gift Shop

Discover a working Iron Age farm, complete with Iron Age characters and ancient animal breeds. Look out for the Mesolithic hunter-gatherers camp where you can shoot a prehistoric longbow. And for young enthusiasts, a visit to the sandpit dig is a must! There are gentle landscaped walkways, and viewpoints and the remains of an ancient fort. A new feature for mid 1998 is a Roman Marching Camp.

The stunning 40 acre park is continually developing, with new features making each visit a unique experience.
